## **Spotlight on Safety**

Volume 5, Issue 3 March 2021

## **Ladder and Scaffold Safety**

## Safety at Home

Preparation is Key: Keep the topic relevant. Work with your team to review commonly used ladders and scaffolds in your workplace and discuss how they

While you may not be using scaffolds at home, there is a good chance you own and use a portable ladder for such tasks as changing light bulbs, home repairs, and clearing gutters. It is important that you follow the same safe work practices you do in the workplace when can be used Tw -173c40-0.004 Tc 0.004 l9nw 2.5970 1d 2 (y09 Tc 0.009 Tw 3. -173c40-0.004 Tz 105309 Tw 3. -19 0 Td 002 Tc 0.5 T E8004 Tc 0.7 1.3(our)]4
